"I Love to Tell the Story"

The stories of the Old Testament will be the theme for Vacation Bible School this year at White Plains Presbyterian Church.

Each morning, children will gather to sing, hear stories and take part in art, drama, gardening and other activities around the stories of the Old Testament: Creation, Noah and the Ark, Abraham and Sarah, Moses and Exodus, and more!

We use the well-known Godly Play curriculum, a Montessori approach to religious education and faith formation, that creates a community of learners who engage and respond to the stories in a holistic way *using head, heart and imagination.*
